

Ref. LN-SD

Dimensiones (mm):

|                                    |          |
|------------------------------------|----------|
| Temperatura de color (°K)          | 0        |
| Potencia (W)                       | 0        |
| Peso (Kg)                          | 0,01Kg   |
| Horas de vida útil L70B10 **       | 0        |
| Factor de potencia                 | 0        |
| Rendimiento (%)                    | 0%       |
| CRI                                | 0        |
| Temperatura de funcionamiento (°C) | -25 a 55 |
| Telemandable                       | No       |
